Dragoun is one of the best evaluated young bulls in 2018. In the Czech Republic he is the first son of English bull Kilbridge Dragoun, after very milking mother and we can find Canadien ancestor in his origin and also the bull Ogar z Ležnice which is the top bull in milking. Dragoun has excelled in high growth ability and exterior already at an early age. Weight in one year 740 kg, life gain 1835 g/day. Despite very high weight, the bull has functional legs and easy mobility. He has got an exceptional growth, muscling, body deep and width of the back.
