Lykke is homozygous polled bull which was sold to the Czech Republic under the condition to produce his semen also for Danish breeders. His weight in 365 days was incredible – 855 kg. He has got an excellent exterior (88 points), growth, capacity and muscularity and we can also see it on his offsprings. We have exported his straws to Denmark, Norway and Germany. Lykke Le Mans comes from the LYKKE farm and we can find the English bull Omorga Princ in his origin and also one of the best Danish cow Ulupulu in the position dam of dam.
